2021 – A SPECIAL ONLINE EDITION

In 2020, Dev.Play has transitioned to a fully online event.

For 2021, we are adapting the format considering the best practices of online events and bringing you a special celebration of game development studios with unique features.

The conference will be powered by the PINE platform, to bring you all the content and features you're used to, through a single and modern online platform. Certain parts of the event will also be streamed live on YouTube.

Join us to hear the experts on the latest industry trends, attend specialized workshops, check out games from Eastern Europe and network with developers, publishers and investors!
